Past Fundraising news!

Shop for your school has raised almost \$4000 in gift cards for teachers. These gift cards have been used to buy classroom materials, classroom furniture, and playground equipment. PTO has received close to \$500 from this app. If you have not used this, please consider doing so. right now, we only have 123 students participating.

These fundraisers help provide fun experiences for your child. The above mentioned fundraisers, donations from others, and breakfast with Santa, have helped send our students to La Comedia, and The Plaza in Miamisburg. We have also helped purchase pictures of our students and pictures frames that will line the hallways. It will also aid in upcoming events like field day, water day, and our 6th grade sendoff to Skateway.
